FROM THE COMMANDER

Hello Comrades & Friends,

What a great day it was when we went on the bus trip to the High Ground. We left as a bus load of Veterans, spouses and friends but we returned as family. We bonded together and got to know one another and grew closer. Our honor guard did a great job providing all honors for the ceremonies. A tremendous thank you to Ed Goss, Ed as always you did a fantastic job running the event. The bus was sold out. If my figures are right the bus held 56 passengers @ \$15 each the total income was \$840. The cost of the bus was \$740 We had pop and beer left over from the picnic. After inventorying we bought another \$99.99 worth of snacks and beer. That means the post made a total of a penny on the bus! The Christmas party cost is set. The price will be \$18 per person. Menu choices are prime rib and chicken. Also this year we will have snacks during happy hour. We will have to limit it to the first 80 people registered and paid. Ken Flock is the event chairman if you have any questions contact Ken. Veterans day at the care center will be on Veterans day this year as it doesn't fall on a weekend Breakfast is at 7:30 AM Dean Larsen is the chairman for the breakfast. Veterans day at the High school is being expanded to include events at the grade school and H B Patch. Ed Goss is the event chairman and will update us at the meeting this week. Ken Flock will be running the meeting this week I'll be out of town. Show Ken your support by attending the meeting. Our November meeting will be in the middle of deer hunting (the day before thanksgiving) so all of you that hunt good luck and have a safe hunt.

AMERICAN LEGION LEGACY SCHOLARSHIP FUND

Here's what the Legacy fund is all about. National has started the Legacy Scholarship Fund to ensure that our service men and women who lose their lives in the war on terror don't have to worry about the children's education. This fund ensures a college education for these kids. Think of the comfort this will afford our service men and women to know that we care about their children's future. While they are in harms way protecting the future of our children and grand children we are at home protecting the future of theirs. We lost more American Lives on 9/11/01 than we did on the Pearl Harbor attack. Just like during WWII our young men and women felt a patriotic duty to step forward and protect our shores. Just like then we gave blood and supplies and money to help the victims. Just like then we have an opportunity to protect our homeland and their children while they are doing their job. I have issued a Commander's challenge for our Post to be champions of this worthy cause. Let all of your friends and family know about what this is all about and what they can do to help. I have collection boxes scattered in businesses in Omro, Eureka, and Waukau. Also an account has been set up at 1st National Bank. 100% of all money collected goes directly to the kids. All administrative cost is being paid by the American Legion. Together we can make sure that losing a parent doesn't have to mean losing their chance of a great future. Together as Veterans and Americans we can make a difference. Their parent has given the ultimate sacrifice for their nation. Let's make sure that their sacrifice doesn't include their children's future.
